

Reno Miata Club Minutes

Tuesday, September 03, 2019

Meeting was started at 6p at the Claim Jumper on So. Virginia. 14 members and 2 visitors attended. Presiding was President Rod Gordon and Vice-President Roger Holliday.

September 28 – Antelope Lake Run – Will be led by Dave and Terrie Schulte. The pace will be sporting. Meet at the Bordertown Casino at 9a. For those who want to join Dave and Terrie for breakfast, they will be there at 8a. Lunch is picnic style at a park so be prepared. We will be doing this as a Poker Run with \$5/5cards. Best hand will get half of the collected funds and the other half will go into the “kitty”.

Christmas Party – Scheduled for Saturday, December 7 – Terrie Schulte will be accepting reservations and dinner payments starting at the meeting next month. The charge is \$27/person.

October Run – Volunteers needed for this run. Will discuss at the October meeting.

Dolan Event – Roughly 18 Miata’s participated in the Dolan Event which was followed by an evening run led by Chuck Swanson and Debbie Campbell. The Circle Run included about 11 of the Miata’s at the Dolan event. The evening was clear, crisp, a little chilly (the jackets went on at the rest stop) and lots of fun.

Hot August Nights – The Reno Miata Club was represented on two separate nights. We directed pedestrian traffic across the parade route in downtown Sparks. We earned money for the Club, got to see the parade up close and had a great time. If we do it next year then maybe only one night.

Fallon Cantaloupe Festival and County Fair Run – Jack Atherton led 5 cars to the Fair. The ride was great albeit a long one. The run back in the early evening was cooler and quite beautiful.
