Meeting was started at 5:50p at the Black Bear Diner on So. Virginia. 22 members attended. Presiding was Terrie Schulte, president and Membership Coordinator Susie Mason.

1. Our guest speaker was Lynne Gray, President of the OLLI Advisory Council. Osher Lifelong Learning Institute at the UNR is one of 121 institutes established since 2001 at colleges and universities throughout the country. Reno has become one of the largest and most successful OLLI's. It is mostly a volunteer organization, dedicated to providing stimulating learning experiences, events and activities to enrich the intellectual, social and cultural lives of all of its members. OLLI offers about 200 classes per semester. Most are single day classes. Classes are oriented to our age group (55+). Once you are a member (\$55/year), you can just drop in on a class unless pre-registration is required. Classes are free unless otherwise noted. www.oli.unr.edu
2. Those who want to participate in the Hot August Nights "Tomorrow's Classics Show-n-Shine" at the Reno Livestock Events Center are to meet in the Salvation Army parking lot on the corner of Oddie and Sutro at 8a on Thursday, August 9. Admission is \$20 for car and driver. Any additional passengers are \$15 each. Space is limited so it's a first come/first serve event - be on time. Judging time is 12-4p. 3 daily winners to receive ribbons. All winners will be asked to return and complete on Saturday for Best of Show.
3. Raffle: We took in \$50 for a total of \$131 in the bank. The winners are: Debbie and Chuck Swanson, Steve and Diane Smith, Randy and Susie Mason – table runners made by Terrie Schulte, Jack and Ann Atherton – a car blanket, Mike Norman – tickets to see the Aces, Jack and Ann Atherton – a bottle of Pinot Grigio.
4. The 2018 Holiday Event will be at the Olive Garden on Saturday, December 1 from 6-8p. A menu choice of beef, fish, chicken and vegetarian was sent out to everyone. Terrie is taking your reservations and payment at every meeting until November. Don't wait until the last minute. She needs to let the restaurant know how many of each entre to make and who is eating what. If paying by check, make it out to Terrie Schulte.
5. A big "Thank-You" to Dolan Miata and Mazda for their Owner Appreciation Event on July 25. Lots of pictures were taken. Dolan even had a drone filming the event. The food from the Food Truck was good. Many raffle prizes were given out. Afterwards Chuck Swanson led a "Circle Run" in which many round-abouts were entered and exited including in Incline Village.

6. Remember the new web address is www.renomiataclub.com (not .org). The password is the same for members to view past minutes and member info.
7. Up-coming runs: Antelope Lake run for late September led by Dave Schulte, Moonlight ride in October led by Jim Cordray.
8. Word of caution: the odometer nob is part of the dash assembly and is very expensive to replace if broken. You have to replace the whole dash assembly. This is for all cars.
9. Meeting adjourned at 6:48p to check out our cars. Next meeting will be Tuesday, September 4, 2018.
